

David Munnelly

Additional Requirements

- 1) TALK BACK: Board shall have talk back to stage & mic to talk back with.
- 2) CHAIRS: 4 - armless, sturdy chairs on stage. (Guitar, Accordion, Drum)
- 3) TABLE: 1 - low sturdy table on stage next to Drum, or a sturdy covered box.
- 4) MONITORS: 4-5 Monitors shall be provided.
- 5) MONITOR MIXES: Two separate monitor mixes shall be provided for the performance.
- 6) LIGHTS (If applicable): Minimum two stationary spotlights on stage, to light singer & dancer - STAGE FRONT. There shall also be a general wash across stage. There must be enough lighting to avoid injury to dancer & musician injury. If you have follow spots, follow dancer (if performing) & anything else interesting.
- 7) DANCER: If there is a dancer performing, wires & cords shall be taped down by stage crew to prevent injury, espec in stage front. 3 - 4 PZMs equally spaced will be needed across front of stage. PCC160's preferred.

THANK YOU. WE LOOK FORWARD TO WORKING WITH YOU!
This stage plot is a binding part of the Artist's contract with the venue.
 Current April 2006
